

Help! I need somebody!
Help! Not just anybody...

Early Education
& Childcare Unit

Opportunity to meet our flexible childminders

Dear parents,

The Early Education and Childcare Unit, in partnership with the Hampshire National Childminding Association, is pleased to provide an opportunity for parents and carers to meet with Hampshire childminders face-to-face to discuss the range of services they can offer. These childminders are Ofsted registered and are continuing to develop their services to meet the needs of all families. They would like to share with parents details of their skills, experience, training and qualifications in order to deliver enhanced services for families, including evening, overnight and weekend care tailored to children's individual needs. We therefore hope you can join us on:

Date: Thursday 30 September 2010

Time: 6.30pm – 8.00pm

Venue: Heathfield School, Oldbury Way, Fareham PO14 3BN

A crèche and refreshments will be available from 6.15pm. There is car parking on site and in the nearby residential roads. Please book your place (and crèche if required) with Sue King on **01329 845150** or email sue.king@heathfield.hants.sch.uk by Thursday 23 September.

We look forward to meeting you on 30 September.
