

Hello, my name is **Lisa Dalglish** and I am the newly appointed Parent Support Adviser for the Crofton cluster of schools.

Parenting can be the most rewarding job in the World...but it isn't easy and at times things can be difficult to manage.

My role is mainly to assist you and your child to get the very best from your school by providing impartial and confidential support, advice and information. I can help you with any worries you may have in relation to your child's education, behaviour, attendance or punctuality and provide support on how best to deal with it. Or if you just need your confidence building, extra help in a particular area or even just a listening ear (or two!) I am available.

Every child and every parent matters and I am happy to support you in any way I can.

I will be running coffee mornings, drop-ins, Positive Parenting Programmes, and give you opportunities to meet with me, other professionals and other parents and carers...please watch this space and look out for leaflets and flyers for information and dates!

I very much look forward to meeting and supporting you and your family.
