

Year 10

We had a successful launch of the Award at the end of the summer term to our current Year 10s. There are 36 young people who are well on the way with their award. We meet up fortnightly on a Wednesday (week B) with eager and committed youngsters, where they do activities and team building and plan their journey through the Duke of Edinburgh Bronze Award.

Year 11

Year 11s also meet up fortnightly on Wednesday (Week A). They are also well on their way with their journey; planning their next walk and making preparations for their assessed expedition in April next year.

The Duke of Edinburgh Award is now logged on the computer on the eDofE website and not the log book as you might remember. I would encourage you to get your son or daughter to show you their account where you can see their progress and support them.

Please can I emphasize the importance of attending the fortnightly sessions to both Year 10 and 11.

If you are having a clear out and have any usable camping equipment e.g. rucksacks, wet weather clothing etc., they would be gratefully received.

Mrs Tracy Callen

Duke of Edinburgh Coordinator
