

Our ref: JSH/MH/Admin/Depart/Science/Science Revision Books June 2011

9 June 2011

Dear Parent/Guardian

GCSE Science Revisions Books

To help your child achieve their best possible result, the school is offering science revision books at cost price. These books are designed to work alongside the new AQA GCSE syllabus followed at Crofton School. Previous versions are no longer valid for your child's GCSE Science courses.

The revision guides are as follows:

- CPG GCSE AQA Biology
- CPG GCSE AQA Chemistry
- CPG GCSE AQA Physics

To purchase these books please take the reply slip below to the finance office with all monies. Each set of guides costs £8.25 (these books are £4.50 to buy from bookshops individually). All three books will be needed for the science courses followed by all students studying science GCSE in years 10 and 11.

A stock of these books is held in the school. However, once these have been sold it will take up to one week for a new order to arrive.

Yours faithfully

Mr J Smith
Science Faculty Leader

PLEASE RETURN TO THE FINANCE OFFICE

Student Name _____ **Tutor Group** _____

I wish to purchase the set of three science revision guides: GCSE Biology , GCSE Chemistry,
GCSE Physics @ £8.25

Quantity of sets required _____
