HEAD TEACHER

Mr. SIMON HARRISON

Crofton – an exceptional school

We are a good school – this is something to be proud of.

We are becoming an exceptional school.

To be exceptional we must expect **kindness, ambition and diligence** from everyone, every day. This ethos is at the centre of whatever we do, whenever we do it and wherever we are. We expect this from every member of the school community, so that we finish each day with exceptional outcomes.

Rewards System

During lessons students will be rewarded for lots of different things. The nine recognitions are:

- **Classwork recognition.**
- **Homework recognition.**
- **Leadership recognition.**
- **Kindness recognition.**
- **Ambition recognition.**
- **Diligence recognition.**
- **SLT recognition.**
- **Exceptional recognition.**

Whilst moving around the school, if a member of staff witnesses a student demonstrating a school value; **kindness**, **ambition** or **diligence** they will reward them with a noticed card which they can give to their tutor. These will contribute to them personally, which they can exchange for rewards such as a queue jump or a film afternoon, and they will contribute to house totals too which could mean they could win the house cup at the end of the academic year.

Social Media

Social media seems to be a part of our society now and can have many benefits. In fact, we have a whole school Facebook page for general messages, and some subject specific Instagram and Twitter pages to support revision and promote active and independent learning.

- Please ensure **you monitor your child's social media use** and remember to check for updates and age restrictions on certain apps.
- **We cannot sanction a student for their behaviour on social media**, unless it has occurred in school or has a direct impact on school life.
